

# Rated Military Pilot Hiring

## Hiring Requirements:

The Following information is required to apply for part time pilot positions within the 157th Air Refueling Wing/133rd Air Refueling Squadron of the New Hampshire Air National Guard. To apply, please put an application package together with the following information and submit it to the address on the application:

- 157 ARW Pilot application (download it from this sight)
- Resumé
- Cover letter of intent
- Last 3 Form 8 Flight Evaluation Reports
- Last 3 OPRs/Fitness Reports
- AF Form 942 (Summary of Flight Evaluations- if applicable)
- Flying History Report (summary of flight time and aircraft flown)
- Letters of Recommendation (from sources that we may contact)
- Copies of any FAA Certificates/Medical
- Any other information you feel the Board may want to see.

Once you have this information together, please submit it in a presentable package (this is your first impression to the board) and keep it updated at least every 6 months with a dated letter stating that you wish to remain in the active files. If you do not update every 6 months, your package will be purged from the files and you will not be notified of future boards.

We will notify you by letter or email of upcoming hiring boards and allow you to update your package. We will then select applicants to interview and notify those candidates of the interview time and place. You will then have 45 minutes to convince the 7- member board that we should hire you. The board is made up of full and part time Pilots, Navigators and Boom Operators.

If hired we require a minimum of a 4-year commitment with the unit. We require a minimum of 4 flights a month as well as attendance at a drill weekend once a month. These are just minimums. We want to hire applicants that will give much more time than the minimums and who are looking to stay with the unit to finish out a 20-year career as a part time pilot.

If you have questions about this process please feel free to contact us at DSN 852-3361/Commercial  
603-430-3361

Thank you for your interest in the 157th Air Refueling Wing and good luck.
